## 7K CAR HAULER

The Liberty LC7K83C4 tandem axle car hauler, with a 7,000 lb GVWR, is designed for hauling cars, UTVs, and compact tractors with ease. Its rugged 4" channel iron frame, 2' ProGrip Dovetail featuring Blackwood Pro Lumber, and 5' Rear Slide Out Perforated steel ramps ensure smooth, effortless loading. A spacious tongue storage box allows for easy transport of tools, straps and other cargo. This trailer is built for reliability and convenience on every haul.

**YOUR PURSUIT. YOUR HAPPINESS.**
