

LD10K72C5

10K TANDEM-AXLE DUMP TRAILER

The Liberty LD10K72C5 is a tough, tandem-axle dump trailer with a 9,990 lb GVWR, perfect for DIY projects or light commercial use. Built to haul materials, debris, and small equipment, it includes a standard ramp package and interior D-rings for added versatility. Key features like the Demco EZ-Latch Coupler, roll tarp with protective shroud, and rear combo-style gate make this trailer a reliable choice for a variety of jobs.

YOUR PURSUIT. YOUR HAPPINESS.
