

SHOWN WITH 40" HIGH SIDE OPTION

LD14K83B8TS

14K HEAVY-DUTY TELESCOPIC DUMP TRAILER

The Liberty LD14K83B8TS is a powerful, commercial-grade dump trailer with a 15,400 lb GVWR, designed for hauling materials, debris, and compact equipment. Equipped with a 12-ton telescopic cylinder, it handles uneven loads effortlessly, while the Max Endurance protective top rail and durable 7-gauge steel floor ensure long-lasting performance. With standard ramps, rear stabilizers, and interior D-rings, this trailer is built to handle any tough job with ease and reliability.

YOUR PURSUIT. YOUR HAPPINESS.
