

## LD5K60C5

### 5K SINGLE-AXLE DUMP TRAILER

The Liberty LD5K72C5 is a compact yet capable single-axle dump trailer with a 5,000 lb GVWR, perfect for small jobs requiring exceptional maneuverability. Ideal for hauling materials, debris, and compact equipment, it includes a standard ramp package and interior D-rings for added functionality. Features like the roll tarp with protective shroud, rear combo-style gate, and onboard battery charger make this trailer a dependable choice for any task.
