

LD7K72C5

7K TANDEM-AXLE DUMP TRAILER

The Liberty LD7K72C5 is a reliable tandem-axle dump trailer with a 7,000 lb GVWR, perfect for DIY projects or light commercial use. Designed for hauling materials, debris, and small equipment, it features a standard ramp package and interior D rings for added versatility. Key highlights include the Demco EZ Latch Coupler, roll tarp with protective shroud, and rear combo style gate, making it a durable and efficient choice for any task.

YOUR PURSUIT. YOUR HAPPINESS.
