

LE14K83B8

Shown with Optional Blackout Package

14K I-BEAM FRAME EQUIPMENT HAULER

The LE14K83B8 I-Beam Frame Equipment Hauler from Liberty Trailers is engineered for tough jobs. A durable 8" I-Beam main frame provides maximum durability. The LE14K83B8 also features 7,000 lbs. Dexter Axles, a 12,000 lbs. Drop-Leg Jack, Spacious Integrated Front Tongue Box and Fork Holders. This trailer is highly versatile and long-lasting, and it can be equipped with either traditional Knee Ramps or Liberty's Extra-Wide Mammoth Ramps. Designed to transport a wide range of compact equipment, it's an ideal choice for heavy-duty tasks.

YOUR PURSUIT. YOUR HAPPINESS.
