## **25K TANDEM-DUAL WHEEL FLATBED GOOSENECK**

The Liberty LF25K102B12GN is a rugged tandem-dual gooseneck trailer with a 25,900 lb GVWR, built for hauling heavy palletted materials, bulky cargo, and equipment. It features a low-profile pierced-beam frame, 5' dovetail, ultra-wide Mammoth ramps, and stakepockets with rubrail for solid cargo control. A torque tube reduces frame twist, while the adjustable suspension, toolbox, and lockable chain tray add durability and convenience.
