

**LOA16K102B8**

## 16K DECKOVER EQUIPMENT TRAILER

The Liberty LOA16K102B8 is a strong and capable deckover equipment trailer with a 17,500 lb GVWR, designed for hauling everything from palletized materials to compact equipment. Its 8" I-beam mainframe ensures lasting durability, while the included 72" rear slide-in ramp package adds versatility for loading equipment. Additional features like the convenient toolbox and Fortress Oil Caps for superior bearing protection make this trailer a reliable and efficient choice for demanding jobs.

*Shown with Optional 3' Dovetail and Stand-up Ramps*
