LT16K83B8

16K I-BEAM FRAME SPLIT-DECK TILT TRAILER

The Liberty LT16K83SPB8 Tilt Trailer – the ultimate workhorse for hauling construction equipment like skid-steers, mini-excavators, and tractors. Built with a sturdy 8" I-Beam main frame, this trailer offers unmatched durability. Its tilt platform, equipped with an air-dampening system and lock-out valve, provides smooth, controlled loading and unloading. Plus, the roomy integrated tongue storage box keeps your tools safe and easy to reach, making it the perfect blend of strength and convenience.

YOUR PURSUIT. YOUR HAPPINESS.
