

LU3KC4

3K SINGLE-AXLE UTILITY TRAILER

The Liberty LU3KC4 is a tough, versatile single axle utility trailer with a 2,995 lb GVWR, ideal for hauling small equipment like lawn mowers, ATVs, and UTVs. Built for durability, it features a robust channel iron frame and rectangular tubing top rail. The 4' tall rear ramp gate, equipped with a coil spring assist, folds flat to boost fuel efficiency, making this trailer a perfect choice for DIYers and weekend warriors alike.
